Structuring Your Sale

*You set your selling prices

we suggest \$12- \$15 / pie
\$ 4.25 - \$5 / T- bread

***Decide** if you want to sell the pies **fresh baked or frozen unbaked.** (or both ways)

* **Determine your dates.**

You need a cutoff date for taking orders **and** a handout date for customers to get their items.

This means you work backwards.

--When do you want to hand out the baked goods? *And*

How long do you want to give the group to sell?

Plan to leave yourself a few extra days to collect and calculate everything! Because...

Your Order must be placed with us, a minimum of 14 days prior to your desired pickup date.

Fundraising minimum order is 50 pies.

Quoted prices are for pickup: Cash or check. *Credit Card payments will be charged a 5% surcharge.*

Pies are individually boxed in pie containers for freshness and protection.

Pies should be refrigerated until use if being held for over 24 hours.

If you choose to sell frozen unbaked pies, these will come with baking instructions on the label and must be kept frozen until baked.

Frozen pecan pies will come fully baked

Tea breads are individually bagged

*** A 50% down payment is due with the order. The balance is due upon pickup.**
